

Alumni Questionnaire

Dear alumni, we would like to ask you to spend a minute or two of your precious time on our alumni questionnaire as we need to update our alumni database.

All the information provided by you will be used as the basis for our alumni statistics as well as an updated contact list, which would be used for sending you invitations to alumni gatherings, interesting seminars, social events, BISLA newsletter, etc. In case you filled this questionnaire before, you only need to update the data that has changed since the last questionnaire.

The second part includes questions about your experience at BISLA. You are not required to fill in this part, however, we would be very grateful for your contribution as it will help us with long-term evaluation of our work. If you have filled in this part in one of the previous alumni questionnaires, you don't need to do it again.

Thank you for your time and we hope to see you some time soon!
