

Student Evaluation

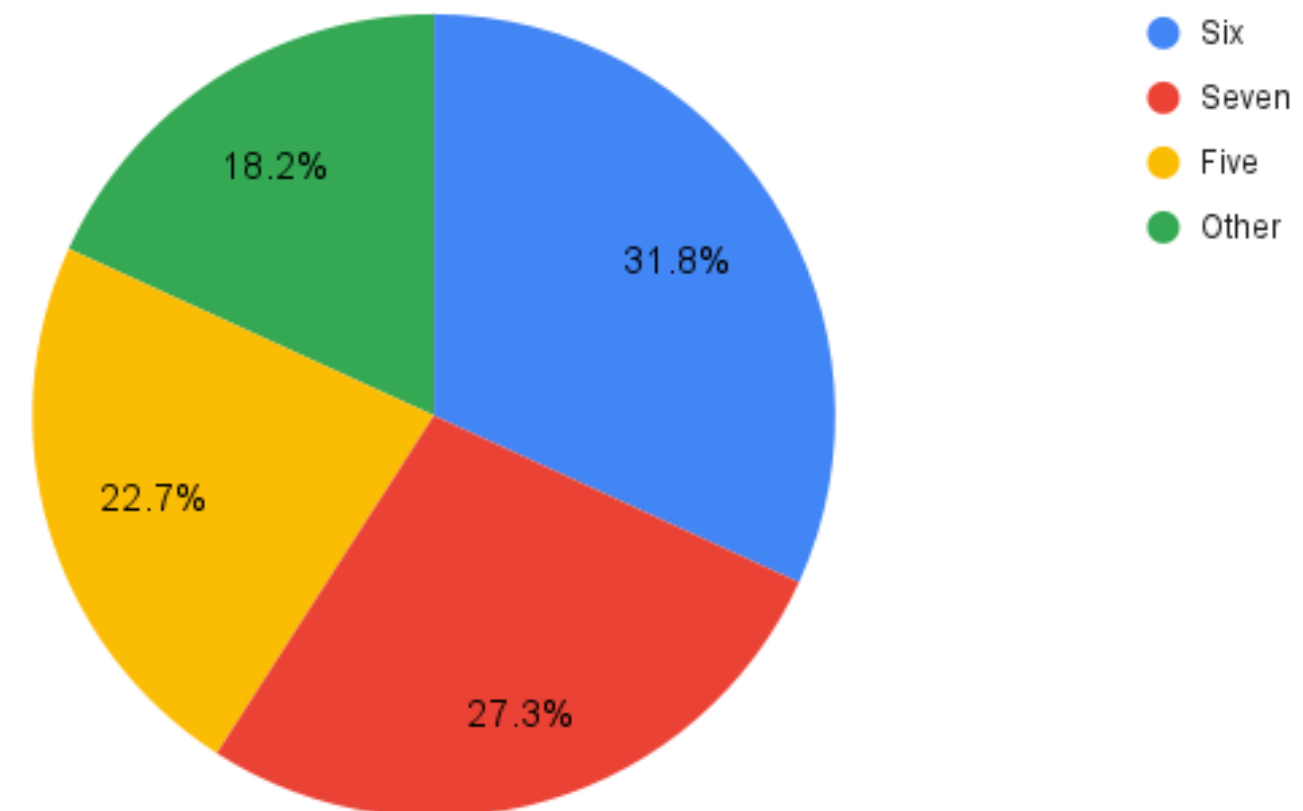

Summer Semester 2021

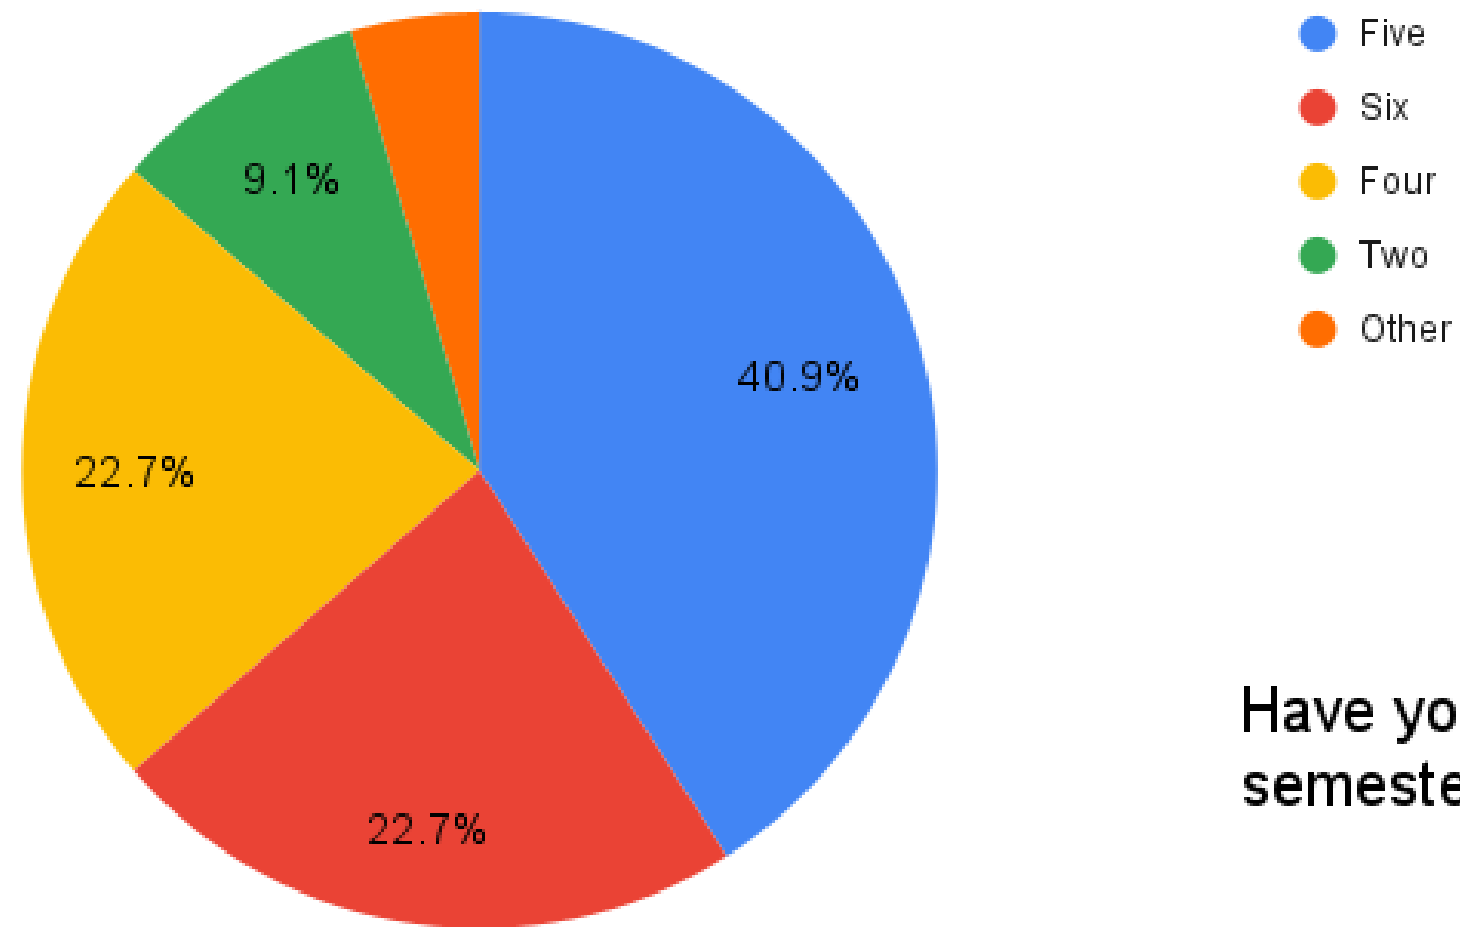

YEAR OF STUDY

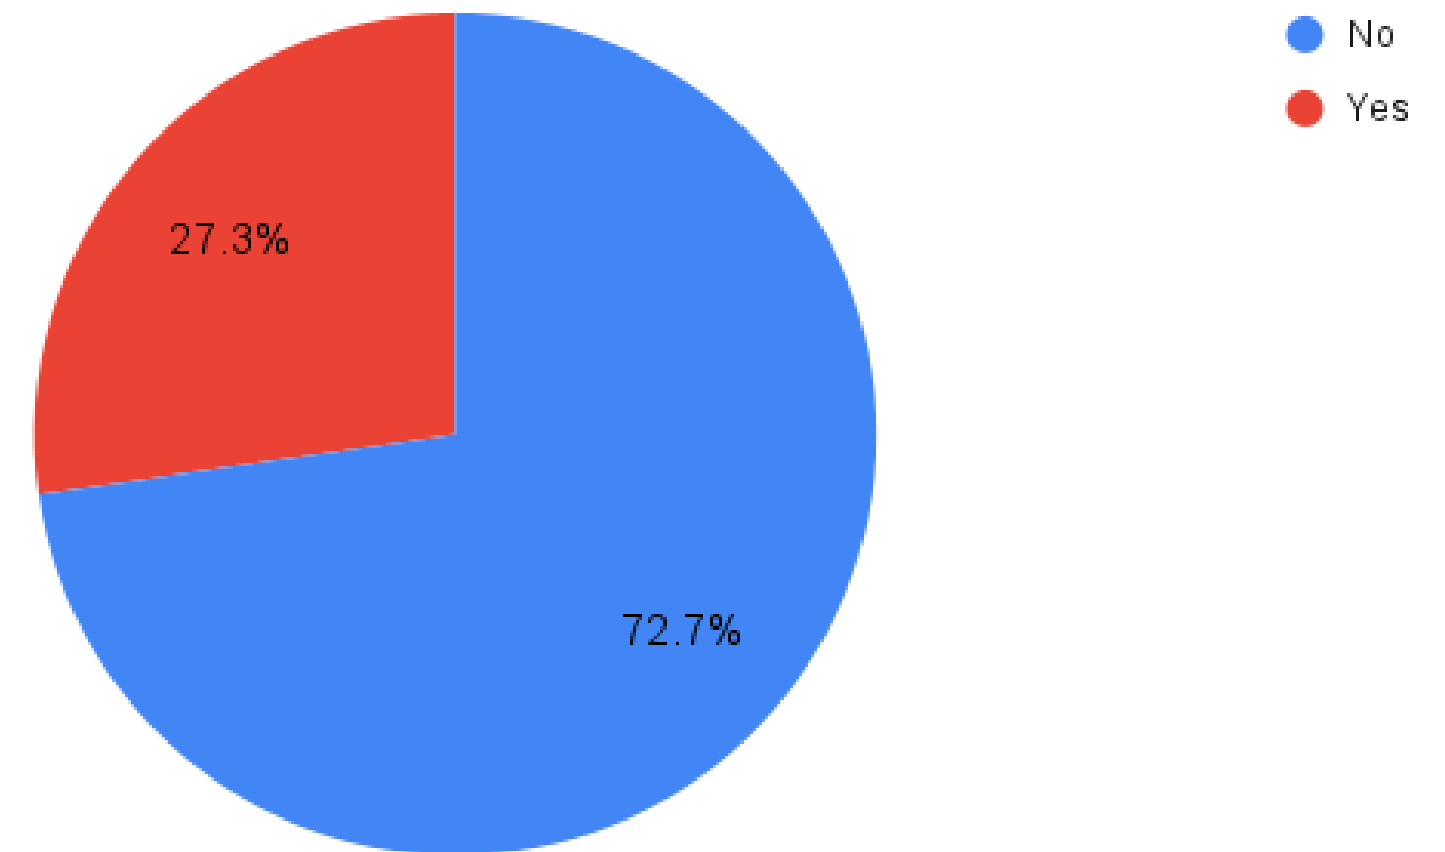

How many courses did you register for this semester?

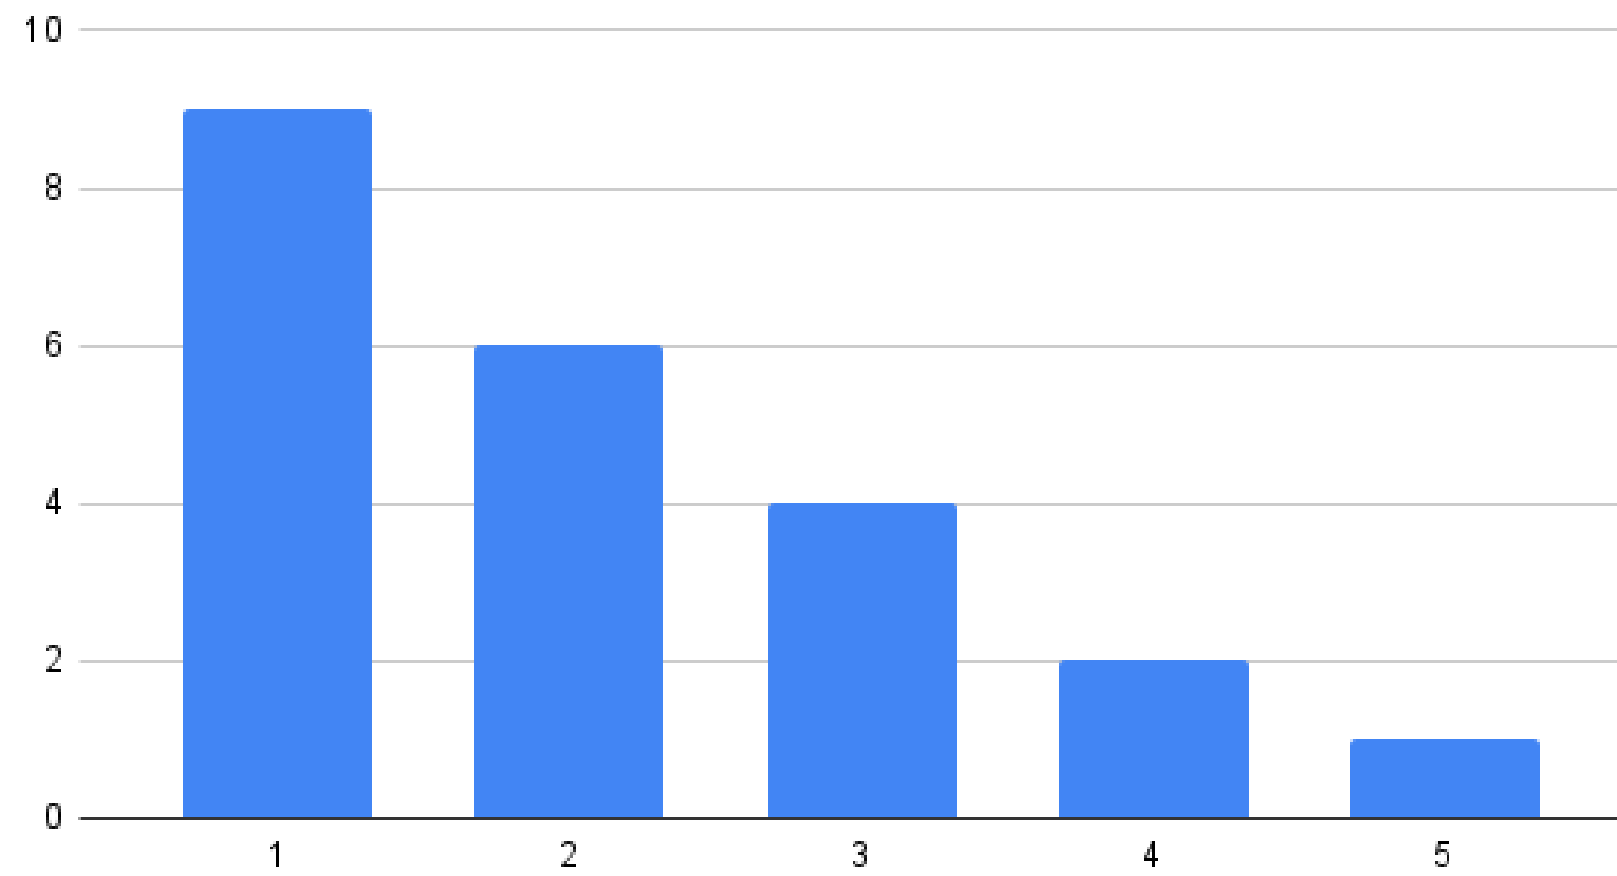

How many of these courses are 60 minutes long?

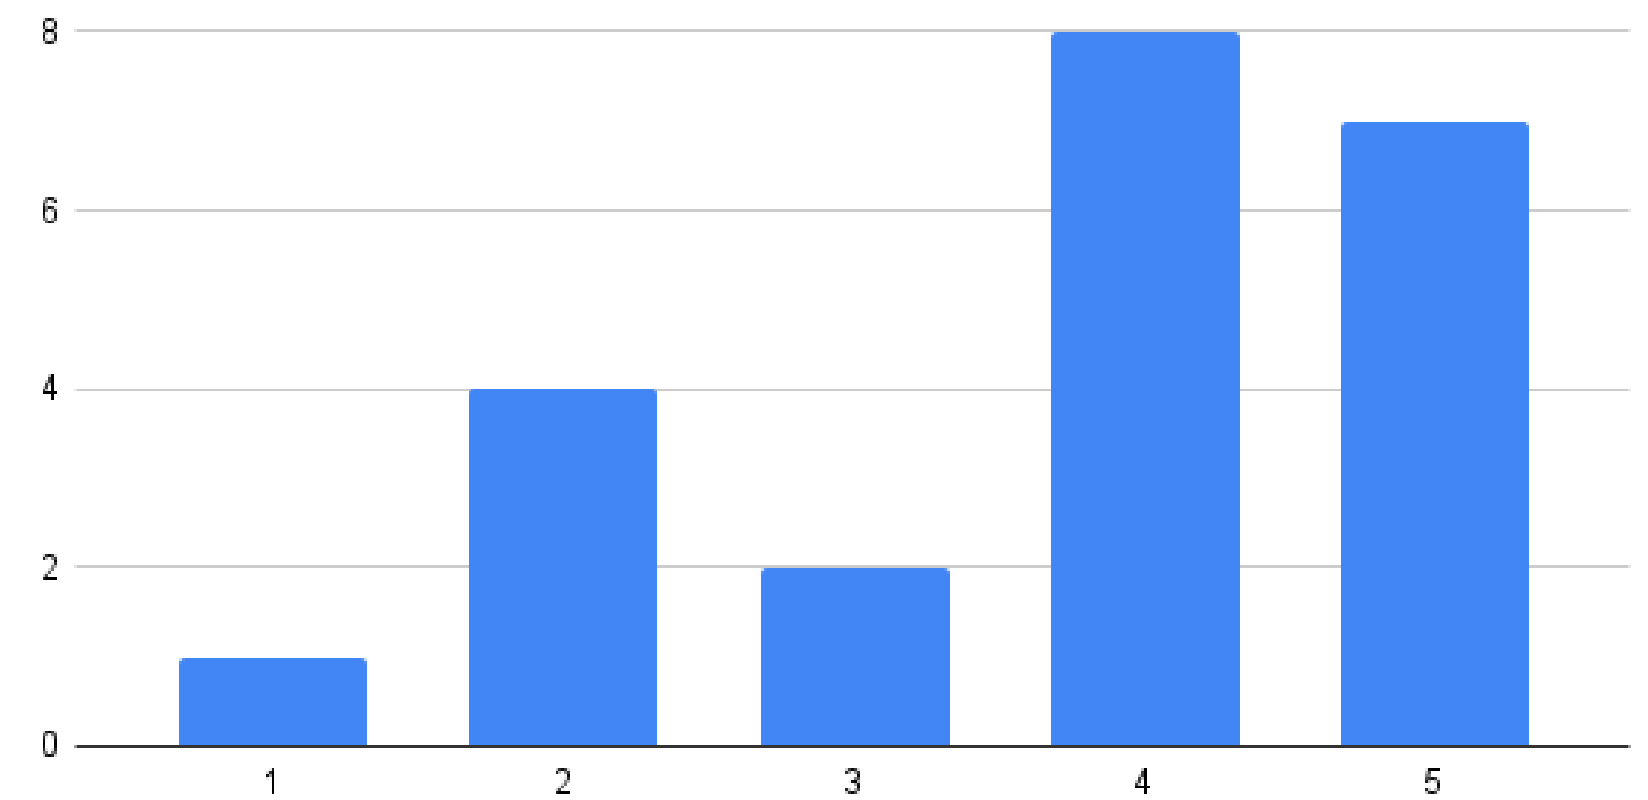

Have you dropped any courses at the beginning of the semester?

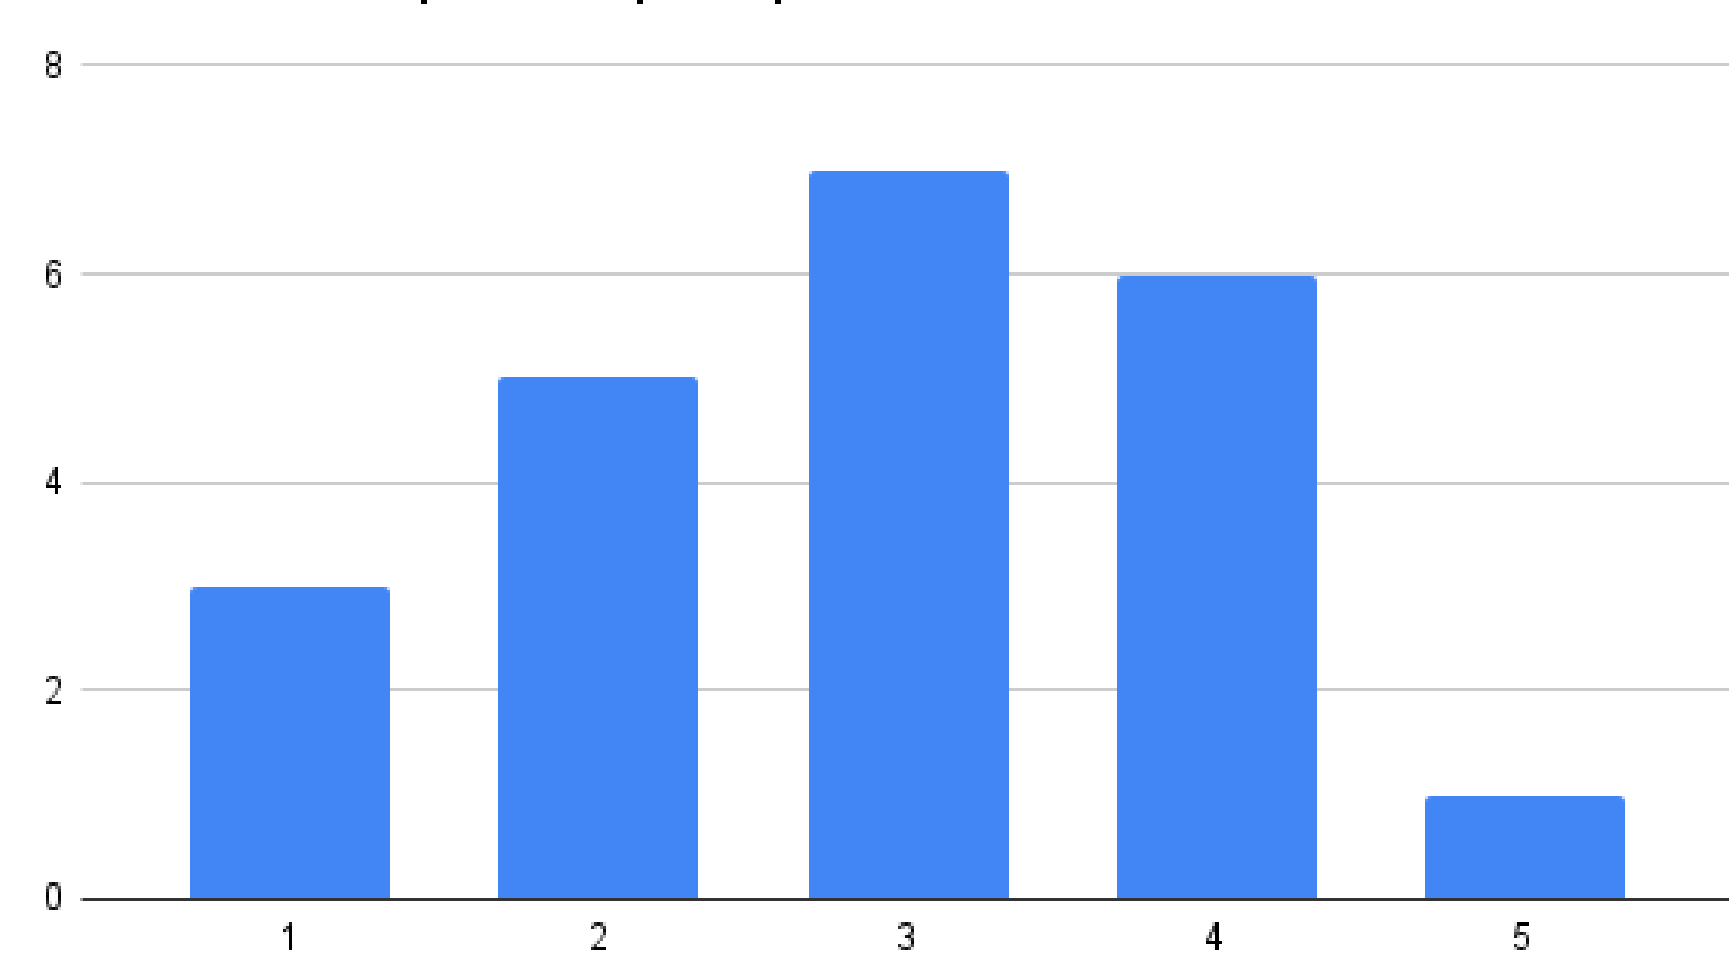

The courses were seamlessly translated into an online format

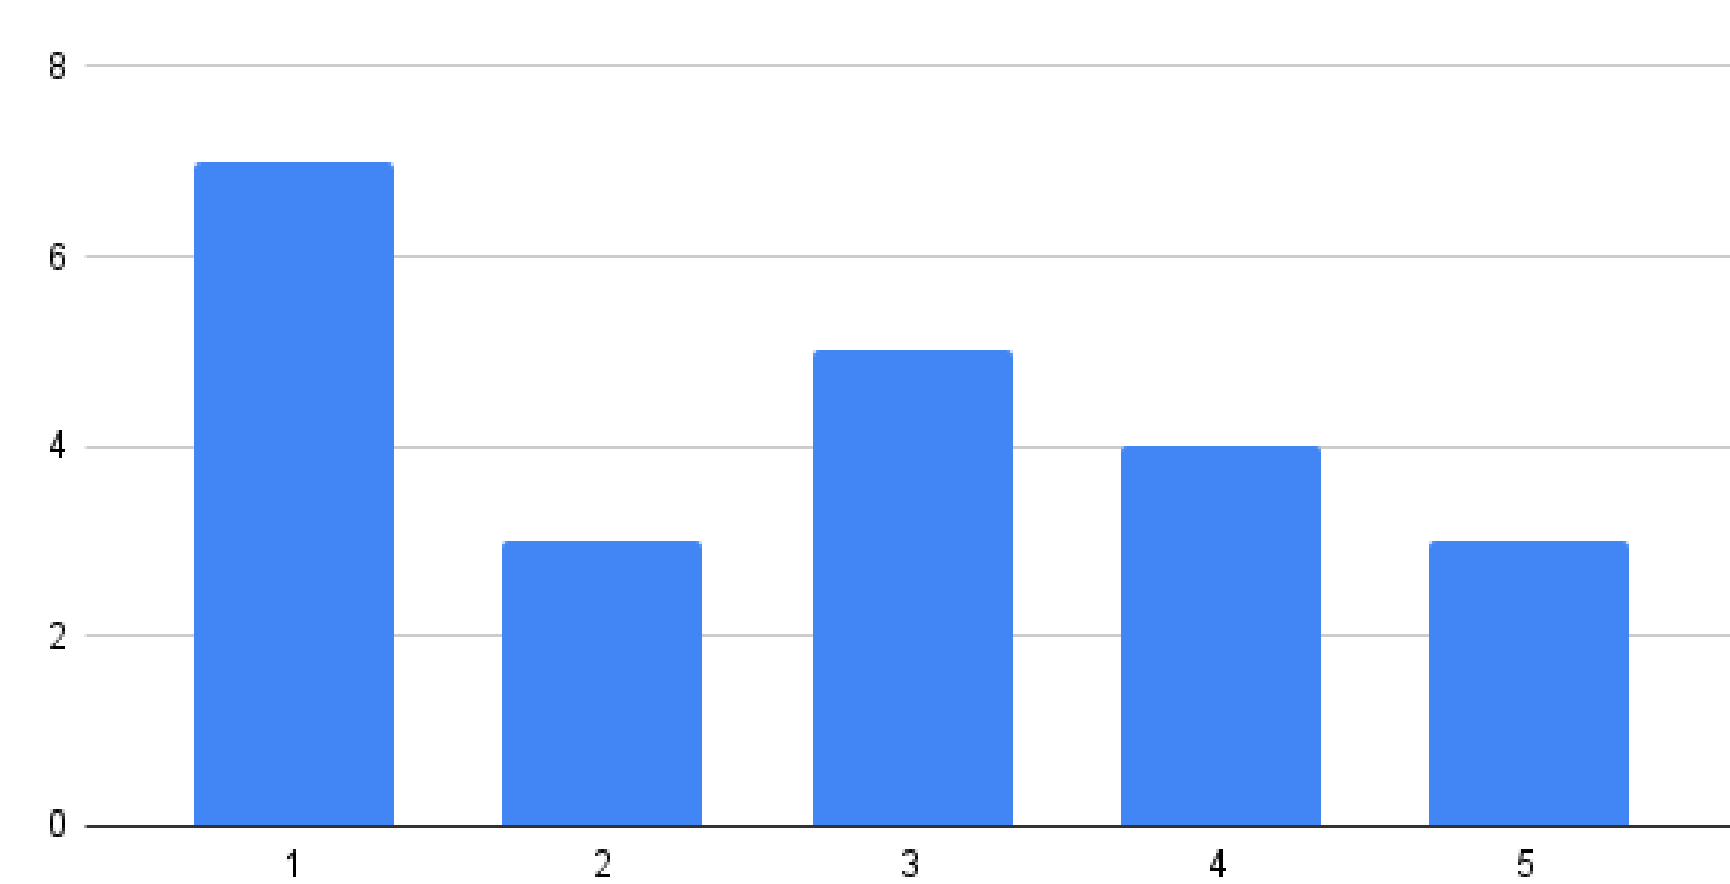

Technical difficulties take away much of the regular course interaction

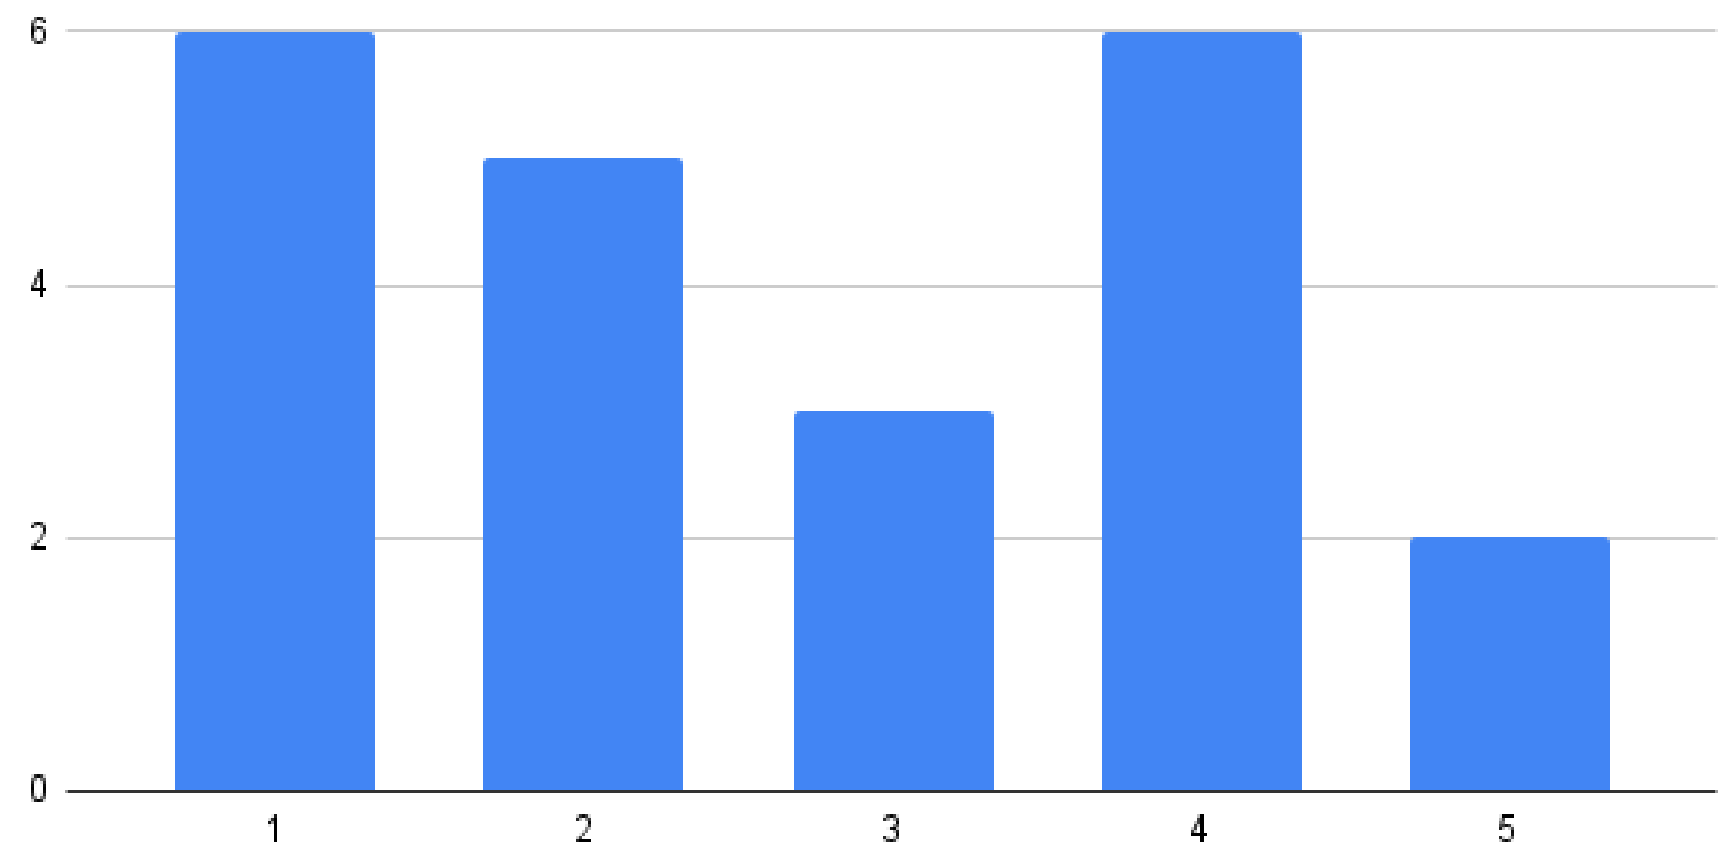

The instructors provide prompt and detailed feedback

The courses have a clear structure, goals, and expectations from students

The workload is balanced between reading, writing, discussion, presentations...

The workload is comparable to the ordinary semester
